GIFT BAG SERVICE

## ASCOT GIFT BAG SERVICE

The Ascot Shop is pleased to offer Hospitality, Conference and Event hosts the opportunity to pre-order a specially chosen selection of Ascot gift bags for their guests to complement their day.

We will deliver your gift bags directly to your restaurant, box or suite on the morning of the day that your guests are attending.

To place an order, please email [ascotshopgifting@img.com](mailto:ascotshopgifting@img.com) advising us of your order, your contact details, and details of your booking. Alternatively, please contact your Account Manager who can organise this for you.

If you would like more information on Ascot gift bags or are celebrating an occasion that requires a special gift, please do not hesitate to contact us and we can suggest some alternative products from our exclusive Ascot collection.

Stock is limited so to avoid disappointment please place your order as early as possible and in good time ahead of the raceday.
